Coverage for: Individual, Individual + Spouse, Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a **summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-769-6642 or visit [www.truehealthnewmexico.com](http://www.truehealthnewmexico.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.cms.gov/CCIIO/Resources/Forms-Reports-and-Other-Resources/Downloads/UG-Glossary508-MM.pdf> or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	For In-Network Providers: \$4,000 individual/\$8,000 family. For Out-of-Network Providers: \$8,000 individual/\$16,000 family.	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of the <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes; preventive care and services where a copay is listed.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain preventive services without cost-sharing and before you meet your <a href="#">deductible</a> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For In-Network Providers: \$4,000 individual/ \$8,000 family For Out-of-Network Providers: \$8,000 individual/ \$16,000 family	The <a href="#">out of pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out of pocket limit</a> until the overall family <a href="#">out of pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premium</a> , <a href="#">balance billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out of pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.truehealthnewmexico.com">www.truehealthnewmexico.com</a> or call 1-855-769-6642 for a list of network providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an out of network provider, and you might receive a bill from a <a href="#">provider</a> from the difference between the provider's charge and what your <a href="#">plan</a> pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.

Important Questions	Answers	Why This Matters:
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
